Premium Custom Wood Garage Doors

## LIFETIME WARRANTY

*The Vineyard Collection features an unprecedented lifetime warranty, guaranteed. More details inside.*

## CUSTOM, YOUR WAY.

The custom carriage house wood doors of the Vineyard Collection are meticulously handcrafted to your specifications and made from the finest materials available.

Every aspect of our doors is enhanced through the utmost attention to detail and care. We combine the timeless beauty, quality, and authenticity of century-old carriage door construction, with the latest engineering technology to replicate beautiful, period-style, doors that complement both new construction and tasteful retrofit. Unhead of in the industry, the Vineyard Collection is ensured with an unprecedented lifetime guarantee.

YOUR #1 GARAGE DOOR AUTHORITY

## FINISHED EXTERIOR

Vineyard Collection doors use extra wide exterior boards, fabricated from knot-free, 1-1/2" fully-laminated mahogany, giving you superior strength and durability. Vineyard Collection doors also feature different InFill options to match the architectural style of your home, with panels 2-3 times as thick as other wooden garage doors.

# Architectural and Investment-Grade Garage Doors

Every GHQ investment-grade door features exceptional workmanship, superior woods, and professional hardware options - ensuring the long-lasting beauty, reliable performance, and easy low maintenance of your investment. The Vineyard Collection embodies the marriage of elegant design with architectural styling.

The result? A show-stopping set of matching garage and entryway doors handcrafted for your style. The perfect dramatic finishing touches for your beautiful home.

## SUPERIOR WEATHER SEALS

On top of our signature Garage Headquarters weather-sealing system, Vineyard Collection doors feature an additional layer of fully laminated 1/4" vertical grain Baltic Birch plywood. This creates a balanced framework and completely seals the core from moisture, preventing warping and rot that can develop in other doors.

*The Vineyard Collection was recently highlighted on our socials as a GHQ Series of the Month! Follow us for the latest features and inspiration from GHQ.*

## SEALED CONSTRUCTION

GHQ Vineyard Collection custom wood doors are constructed with stainless steel counterbored fasteners and biscuit joinery to ensure a tight fitting, structurally aligned boards. The counterbored fasteners are then plugged for a clean, finished look. Other typical garage doors are simply held together with weak finger joints and glue.

## FULL CAVITY INSULATION

You want your investment to last, inside and out. That is why the Vineyard Collection's internal core is constructed from fully laminated mahogany & southern yellow pine. The void is filled edge-to-edge with a layer of Polystyrene insulation for certifiable Garage Headquarters Investment-Grade™ quality.

## EXCLUSIVE LIFETIME WARRANTY

Although a rarity, if your Vineyard Collection garage door fails during the lifetime of your ownership, we will repair or replace it free of charge! This is an unprecedented assurance that is unheard of in the garage door industry. You can trust our handcrafted quality-built, long lasting garage door from time-tested professionals.
